

Do you know...?

A guide for families with children and teenagers who have social and communication differences, including autism

This guide has been pulled together by parents, carers and professionals across the local area as part of Bromley's All-age Autism Partnership (BAAP).

It provides information and signposts families, carers and those with social communication needs (SCN) including Autism to support.

“If you meet one person with autism, you’ve met one person with autism!”

Dr Stephen Shore
