What is it?

Bromley Youth Support Programme (BYSPP) brings together different services for young people. If you want something to do or need extra help then BYSP can support you.

BYSPP has on offer:

- Youth Centres (Hubs) based in specific areas that will provide activities and support for local young people.
- A project for young people with disabilities.
- A Mobile Team, that visits areas of the borough with our our youth bus.
- A Duke of Edinburgh Award Team that will help you achieve your Bronze, Silver or Gold.
- Youth Involvement Team that can help you to have your say about issues affecting you and other young people.

All of our programmes seek to provide opportunities for young people to gain new skills and experiences, have fun and receive support. If we are unable to help you then we will try to point you in the direction of someone who can.

Who is it for?

Bromley Youth Support Programme is available for young people from School Year 6 up until the age of 19 (25 if you have a disability).

When will it run?

BYSPP runs throughout the year with each centre and project having its own programme of activities that will respond to local need.

These programmes include daytime, evening and weekend opening times. For further information on the activities on offer and the support available please contact your local centre.

How can I get involved?

You can get involved in all sorts of ways whether it is by attending your local centre, volunteering on your local youth forum or taking part in the Duke of Edinburgh Award Scheme all you need to do is contact your local centre or the Admin Office to find out more information. Or if you feel that you just want a chat and some support then call your local centre.
