

Collection Calendar

This is your recycling and waste collection calendar starting from August 2026.

This is for residents living in houses only as there are different arrangements for residents in flats.

1

All waste and recycling **must** be correctly presented for collection by **7am on collection day**.

2

All waste must be contained securely and placed within arm's reach of the pavement, **but not on it**.

3

Leave your recycling and waste out for collection until **5pm** before you report a missed collection.

Waldo Road Waste Transfer Station Improvement Works Continue

Infrastructure improvement works are continuing at the Waldo Road Waste Transfer Station. The facility plays a key role in the borough's waste management service, bringing together and handling recycling and waste collected from across the borough before it is transported for treatment and processing. While these improvements progress, the neighbouring Reuse and Recycling Centre (RRC) remains temporarily closed. Residents can find the latest updates on progress and anticipated reopening dates at bromley.gov.uk/recycling-sites.
