**London Borough of Bromley**  
**Infrastructure Funding Statement**  
**December 2021**

**Introduction**

1. Under Regulation 121A of the Community Infrastructure Levy (CIL) Regulations 2010 (as amended) (“the Regulations”), the Council is identified as a ‘contribution receiving authority’ and is required to produce an annual Infrastructure Funding Statement (IFS) outlining the collection and use of planning obligations in the Borough; the first report of which is to be published by 31 December 2020 and then every annual anniversary thereafter. Schedule 2 of the Regulations outlines the matters to be reported in the IFS.
2. The Council currently receives Planning Obligations through the use of Section 106 agreements; this may include the direct provision of infrastructure or financial payments towards infrastructure. The Council is also the collecting authority for the Mayor of London CIL, the receipts of which are directly passed to the Mayor of London; more details can be found on the Mayor’s website at <https://www.london.gov.uk/what-we-do/planning/implementing-london-plan/mayoral-community-infrastructure-levy>
3. The Council Introduced a Local CIL on 19 April 2021, which came into effect on 15 June 2021. As this report covers the period from 01 April 2020 to 31 March 2021, there are no receipts to report other than those raised towards the Mayor of London CIL. More information can be found on the Council’s website at [https://www.bromley.gov.uk/info/1004/planning\\_policy/1179/bromleys\\_community\\_infrastructure\\_levy](https://www.bromley.gov.uk/info/1004/planning_policy/1179/bromleys_community_infrastructure_levy)
